### "Space Oddity": Dave Brighton's Tribute to David Bowie with Special Guest Dani Kerry

The City of Lake Forest is kicking off Summer 2014 with a concert featuring music from the legendary David Bowie! David Brighton and his Space Oddity band chronicle all of the international superstar's Ch-Ch-Changes in electrifying Technicolor. Together with the talents of the amazing Space Oddity band, Brighton recreates the greatest moments of Bowie's rockin' career. Brighton's routines bridge three decades of fun and excitement as he recreates megahits like Fame, Young Americans, Let's Dance, and China Girl. The party begins with local rising star Dani Kerry taking the stage. Dani has performed and taught music all over the world, but now she has just released her first EP titled "Back to the Water." She is excited to bring her soul and sound to Lake Forest!

### A Flock of Seagulls with Special Guest 80z All Stars

As well-known for their bizarre, teased haircuts as their hit single "I Ran (So Far Away)," A Flock of Seagulls were one of the MTV video rotation staples of the new wave era with heavy rotation of the "I Ran" video in the summer of 1982. Mike Score's outrageous hair style is forever embedded in pop culture. Mike is bringing the band to Lake Forest to headline an unforgettable 80's party, so break out the hairspray! The 80z All Stars have been rocking for over 15 years and are the premiere, most complete 80s tribute act in Southern California. Their high-energy performances have been seen from Orlando to Hawaii to Las Vegas to Cabo San Lucas and everywhere in between. Now they return to Lake Forest, so be ready to relive the days of big hair, bright colors and jelly bracelets, but most importantly, be ready to join in the madness that is an 80z All Stars show!

### Gregg Rolie Quartet & Special Guest Annaliese Schiersch

Our summer concert series ends with an appearance by a Rock n Roll Legend, Gregg Rolie. He is one of the founding members of the bands Santana, The Storm, Abraxas Pool and Journey, for whom he was the original lead singer. His current project, the Gregg Rolie Quartet, will take you on a Rock n Roll journey as he transcends the music of his entire career. Rolie was inducted into the Rock and Roll Hall of Fame with Santana. Lake Forest is his last stop before he rejoins that legendary band. The special guest for this concert is singer songwriter sensation Annaliese Schiersch. Her music has been described as equal parts indie-pop and folk. Annaliese is a rarity: vulnerable and pensive, engaging and inspiring. Her music has been featured on hit TV shows and she continues to produce original music. Annaliese is looking forward to her Lake Forest appearance and may even bring a friend!
